Senate Bill No. 3 (First Extraordinary Session) - Government Tort Claims And Insurance Reform Act

This legislation defines the tort liability of political subdivisions and addresses such matters as immunity, recovery for non-economic loss, punitive damages and statute of limitations. The bill also allows political subdivisions to procure liability coverage through either the State Board of Risk and Insurance Management, the private insurance market or by self-insurance.

Limitation on premium rate increases, cancellation and reduction of liability coverage are imposed. Political subdivisions are authorized to form an association to purchase casualty insurance on a group basis. This bill became effective on June 1, 1986.

Senate Bill No. 200 (Regular Session) - Discounted Automobile Insurance Rates For Persons 55 Years Of Age Or Older

This bill requires that rates for automobile liability, personal injury and collision coverages contain an appropriate discount when the principal operator of the automobile and spouse are 55 years of age or older and have successfully completed a motor vehicle accident prevention course approved by the Department of Motor Vehicles. Both the principal operator and spouse are required to complete an accident prevention course as a condition of receiving the discount. The bill also establishes certain other conditions which may be imposed by the insurer for maintaining the discount. The principal operator and spouse must repeat the accident prevention course every three (3) years to continue to be eligible for the reduction in premium. This bill became effective on June 4, 1986.

Senate Bill No. 336 (Regular Session) - Loss Of Income Insurance Coverage

This bill makes several amendments to present Code sections concerning loss of income coverage. The bill amends §33-1-10(b) to allow loss of income coverage to be written as an accident and health line. Such coverage could be written only by casualty companies under prior Code provisions. Additionally, the bill provides that in cases of group policies, the group policyholder has the discretion to include or exclude coverage for any of the following events: individual or mass layoffs, general strikes, labor disputes, lockout or termination by the employer for other than willful or criminal misconduct. Benefits for individual or mass layoffs, general strikes or lockouts were mandatory under prior Code provisions. This bill became effective on June 1, 1986.

Senate Bill No. 714 (Regular Session), House Bill No. 149 (First Extraordinary Session) - Medical Malpractice Insurance Reform

These bills contains three (3) major provisions in regard to medical malpractice liability insurance coverage. First, the bills impose a requirement that the Department hold a public hearing on every medical malpractice liability insurance rate increase of ten percent (10%) or greater or which effects the public. Second the bills impose specific aggregate reporting requirements for medical malpractice liability insurers and require certain studies and promulgations of regulations by the Insurance Department. Finally, the bills establish standards for the cancellation of medical malpractice liability insurance policies. These bills became effective on June 6, 1986.

Senate Bill No. 565 (Regular Session) - Essential Insurance Coverage Act

This bill requires that the Department establish a joint underwriting association to make fire and extended coverage insurance coverage available to homeowners and commercial risks. MAY 22, 1987

The Annual Meeting of the Board of Directors of the West Virginia Life and Health Insurance Guaranty Association was called to order at 10 a.m. on May 22, 1987, in Berkley Springs, West Virginia, by Chairman John S. Boritas, pursuant to the prescribed advance notice.

The Board members present were: John S. Boritas, Chairman (Metropolitan Life Insurance Company); Marcia L. DuMond, Vice Chairman, and Stephen Rahn (Lincoln National Life Insurance Company); Jack L. Miller, Treasure (Appalachian Life Insurance Company); R. Ray Poole (Peoples Security Life Insurance Company); and Herbert G. Knox, Secretary (Nationwide Life Insurance Company).

Also present were Insurance Commissioner Fred E. Wright, Chief Examiner Mitch Collins, Association Legal Counsel John C. Lobert, Mauna Fry, James Little, Mark Chandler, Fay Varney, and special guest, Roy Woodal, President of the National Association of Life Insurance Companies.

Secretary's Report. Secretary, Herb Knox, indicated that the association's Annual Report to the Insurance Commissioner had been finalized and would be transmitted to Commissioner Wright. The motion to accept the Secretary's Report was adopted.

Treasurer's Report. The Treasurer, Jack Miller, indicated that most of his report would be presented by the managers responsible for the various functions of the Association.

- Jim Little reported on the claims activity and settlement status of the Iowa State Travelers Mutual Assurance Company (ISTMAC). Nearly all claims have been settled and the claims account has been closed. Mr. Little suggested that the Board consider closing the ISTMAC account and submit all claim files and materials to the receiver. He stated that he would send a report to Commissioner Wright as to the status and recommendation on ISTMAC claims. Further, he indicated that the pending claims would be processed in the event that a claimant supplied additional information. There was a discussion on establishing reserves on the potential claims liability. Mr. Little was requested to develop an estimate of the reserves needed for consideration at a later Board meeting.

  The motion to pay Appalachian Life $2,311.92 for the administrative, claims, and operating costs of the Association chargeable to the ISTMAC account was seconded and approved.

- Mauna Fry reported on the administrative activities of the Association including the number and type of telephone and mail inquiries from and to policyholders and claimants. She indicated that the administrative expenses were continuing at a very low level because the Association does not have to pay full-time salaries, rent for space or equipment, or own any personal or real property.

  Mrs. Fry reported that 272 proxies and 239 ballots had been received from the 515 members of the Association, which constituted more than a majority of the members of the Association. She provided a list of the term of office and reelection schedule of members of the Board as follows:

Name of Company	Term Expires at Annual Meeting
Nationwide	1988
Metropolitan	1989
Peoples Security	1989
Lincoln National	1987 and 1990
Appalachian Life	1987 and 1990

- Mark Chandler reported on the audit of the Association and the financial statement as of December 31, 1986. The motion to accept the Treasurer's Report was seconded and adopted. The motion to pay the accounting fees of Lockwood and Chandler, Certified Public Accountants, was seconded and approved without dissent.

  The motion was seconded and adopted to note in the minutes the great appreciation and respect of the Board relative to the quality and efficiency of the work conducted for the Association by the officers and managers of the Appalachian Life Insurance Company

  The motion was seconded and approved that the Association pay the miscellaneous expenses of the Annual Meeting.

Legal Counsel's Report. John Lobert reported on the activities involved in the application to the Insurance Department for the Certificate of Assumption relative to ISTMAC. Mr. Lobert reported that the Department approved the application of Appalachian Life to assume all liability for the continuing policies issued by ISTMAC. Mr. Lobert was requested to review the state guaranty law and the Association's Bylaws to determine if revisions or amendments should be considered by the Board. The motion to continue to pay the retainer fee for legal counsel was seconded and adopted.

Special guest Roy Woodal, President of the National Association of Life Insurance Companies delivered a presentation on his organization of 600 companies and the issues that life insurers face.

Vice Chairman Marcia DuMond presented her resignation from the Board and introduced Steve Rahn as Lincoln National's new representative to the Board. Chairman Boritas made a special presentation of a plaque in appreciation and gratitude for the fine service and friendship to the Board by Ms. DuMond.

NOLHGA Report. Marcia DuMond reported that NOLHGA had established a search committee to consider candidates for a permanent executive director and to develop a plan of operation relative to the budget, staffing, and office location for NOLHGA. There was agreement that the Association would request consideration for nomination to the NOLHGA Board of Directors at their Annual Meeting in October 1987. The discussion of NOLHGA membership dues for 1987 indicated that the dues amount would be less than the $2,000 paid for 1986. The motion to pay up to $2,000 for NOLHGA membership in 1987 was seconded and adopted.

Baldwin-United Report. Marcia DuMond discussed the telephone poll taken by NOLHGA regarding Baldwin-United Phase II. The Board agreed to participate in Phase II, the Enhancement Plan, and potential lawsuits. There was agreement that the plan should not cover unallocated annuity contracts (GICS and DACS).

There was discussion of recent indication that the Baldwin-United receivership had encountered mortgage default problems and unexpected state tax claims which could increase the Association's liability. The Chairman stated that he would monitor the situation and report significant changes to Board members.

Ray Poole stated that it seems the Association should note concern as to the potential devastating impact that the AIDS disease may have on the insolvency of life and health insurers.

Election of Board Members. Chairman Boritas delivered the report that the Nominating Committee had nominated for a three-year term on the Board: The Appalachian Life Insurance Company, represented by Jack L. Miller, and the Lincoln National Life Insurance Company, represented by Stephen Rahn. The Chairman called for additional nominations from the floor and being none the nominations were closed. The West Virginia Insurance Guaranty Association had its annual meeting on April 8, 1986, with the meeting beginning at 9:00 A.M., at the Marriott Hotel in Charleston, West Virginia. In Attendance were the Travelers Insurance Company, represented by Robert Utley and Jeff Baxter; Inland Mutual Insurance, represented by L. F. Norton; Municipal Mutual Insurance, represented by Edward R. Marks, Jr.; State Farm Insurance Companies, represented by K. Don Waskom; Westfield Companies, represented by R. D. Welsh; Nationwide Insurance Companies represented by Glenn W. Soden; Aetna Life and Casualty, represented by Terry Toohey; Farmers Home Insurance Company, represented by John Arbuckle, Jr.; James E. Lane, Administrator; representing the West Virginia Insurance Department, Wanda Smith, Consumer Complaints; Deborah Grubb, Financial Conditions Division; Cheryl Davis, General Counsel and John Lobert, Counsel for the Guaranty Association.

Chairman Don Waskom Called the meeting to order and introduced the representatives of the Insurance Department and new director, John Arbuckle, Jr.. It was moved and seonded that the minutes of the association's 1985 Annual Meeting and the meeting of August 23, 1985 be accepted and the reading waived since copies of both minutes had been mailed to the members. Cheryl Davis advised the association that Commissioner Fred E. Wright could not attend the meeting due to the crisis that was unfolding in the Medical Malpractice field and that he had sent his regrets.

A financial report was given by Secretary-Treasurer Marks, which was accepted by the Board. Mr. Marks advised the Board that the balances in the money market accounts at the Twentieth Street Bank and First Huntington National Bank and the checking account at the Twentieth Street Bank had grown considerably in the past year due to the assessments. The current balances as of March 18, 1986 were $2,969,181, which greatly exceeds the FDIC Insurance provided by the two institutions. After discussion by the Board an Investment Committee comprising: Jeff Baxter, Dick Welsh and Ed Marks were advised that excess funds over current needs should be invested in U.S. Treasury Bills, 1 year or less, at a financial institution offering the best service and cost of service. Any action of the Investment Committee would require the approval of two of the three members. The above motion was moved by John Arbuckle and seconded by Glenn Soden. Robert Utley reported on the audit of Ernst and Whinney, a copy of which was received by all the members. Mr. Utley advised the Board that the audit points out that the audit covers the activities of cash receipts and disbursements and not the adequacy of loss reserves. It was pointed out that no irregularities were found during the audit and the auditors once again pointed out the efficiency of the Association was verified by the sharing of expenses with the Ohio Association. The administrative expenses for 1985 were $82,000 up from the 1984 expenses of $65,000 due to the increased activity of the Association. Upon recommendation of the Audit Committee, Ernst & Whinney was reappointed as auditors for another year. The financial report was accepted by the Board.

Don Waskom in his Chairman's report stated that it was felt that the assessments made in 1985 would be adequate for the insolvencies for which they were assessed. He further reported that there were many unknowns in the recent insolvencies received and the amounts of any assessment on them would be questionable at this time. He also commented on the fine work performed in the past year by Jim Lane and his staff, the financial and claim audit staff and counsel John Lobert. His report was accepted by the Association.

Administrator James E. Lane reported to the Board reviewing the status of existing company insolvencies. It was noted that there was not any recommended Board action on the existing insolvencies and prior assessments appear to be adequate at the present time. He reviewed the latest information on the Transit Casualty and Carriers Insurance Company insolvencies. It was noted that at this time it appeared there would have to be an assessment on them in the future as early indications were that Transit had outstanding claims in West Virginia of approximately $617,000 and Carriers of $170,000. It was noted that the association was slow in getting files on outstanding claims on both insolvencies. Both insolvencies had previously been accepted by the association by mail and this action was ratified by the Board.

Administrator Lane reviewed American Fidelity Fire Insurance and the Board accepted the insolvency with no assessment at this time. The Board was advised that the premium writings in West Virginia were very low, approximately $6,000 in 1984. Great Global Assurance and Allied Fidelity Insurance were reviewed with the Board and it was noted that Great Global did very little business in West Virginia and Allied Fidelity was a surety carrier, a line of insurance not covered by the West Virginia Guaranty Association.

Mr. Lane also reviewed with the Board the current liquidation policies of the State of New York and advised the members that the West Virginia assessible mutuals had been missed in last years assessment, however figures on premium writings have been received from the Insurance Department and the assessments completed. His report was accepted by the Board.

The work of the Claims Audit Committee was reviewed by Glenn Soden and Dick Welsh, a copy of this report is hereby made apart of these minutes. The report of the committee was accepted by the Board and Chairman Waskon requested that the committee do a similar report again in 1986.

At last years annual meeting there was a discussion on Confidential Claim Settlements and at that time John Lobert was asked to render an opinion on the obligations of the association concerning this matter. A copy of Mr. Loberts opinion is hereby made apart of these minutes.

Administrator Lane advised the Board that 207 member companies cast ballots for the election of Directors for the coming year and that it was an uncontested election. The following are to be represented on the Board of Directors for the coming year: Aetna Life and Casualty, Travelers Insurance Comapny, Municipal Mutual Insurance, State Farm Insurance, Westfield Companies, Farmers Home Insurance and Nationwide Insurance. Mr. Welsh reviewed the nominating committee's recommendation for officers for the coming year and the following were elected:

Chairman	Don Waskom
Vice Chairman	Glenn Soden
Secretary/Treasurer	Ed Marks

Administrator Lane then presented Mr. L. F. Norton a plaque in recognition of his service to the Board. Mr. Norton had served on the Board since it's creation in 1970 and was not seeking re-election.

There was a discussion on the association's surety bond and Mr. Lane was requested by Mr. Welsh and Mr. Baxter to review the current coverage and limits since our needs have changed in the past year.

Mr. Waskom Reviewed the present service contract with the Ohio Association and recommended the contract be renewed. He advised the Board that Commissioner Wright was in agreement with this recommendation. The arbitration agreement with the Ohio Association was discussed and it's renewal recommended. A motion was moved and seconded renewing both the service contract and the arbitration agreement with the Ohio Association. Mr. Waskom also recommended the continuance of John Lobert as counsel for the Association and reviewed his activity as counsel and claims attorney. His recommendation was approved by the Board.

A motion ratifying the action and activities of the Board, Administrator and Staff during the preceding year was properly moved, seconded and unanimously approved by the Board.

It was agreed that the next meeting of the Guaranty Association would be held August 15, 1986 at Westfield Center, Ohio.

There being no further business to come before the Board, the meeting was adjourned.

RATES AND FORMS DIVISION

In 1986, the Rates and Forms Division received and reviewed 18,830 rate and form filings; this is a decrease of 5,402 over 1985.

Property-Casualty filings account for 10,146 of the 1986 volume; Life, Accident & Sickness filings make up the remaining 8,684.

A total of 5,212 filings were disapproved in 1986, with 2,547 life, accident & sickness disapprovals and 2,665 property-casualty disapprovals. These filings were not in compliance with the West Virginia laws and regulations.

MAJOR FILINGS

(A) Personal Automobile Insurance Rates: Nearly all automobile insurers continued to file rate increases in 1986. While many increases were granted, the Insurance Commissioner often granted amounts which were much less than requested because filers failed to adequately document their requests.

Changes in components of the Consumer Price Index (CPI) demonstrate the changes in cost of items for which insurance pays; a comparison of the CPI for December 1986 with December 1985 shows the following increases:

Auto maintenance and Repair	+3.7%
Medical Costs	+7.7%

State Farm Insurance Companies' Crash Parts Index declines 1.6% between January 1, 1986 and January 1, 1987.

(B) Homeowners Insurance Rates: Continued deterioration in fire insurance experience prompted further rate increase requests in this area.

Homeowners insurance rate increases were in part based on the increasing costs of housing and building materials, as evidenced by changes in the related CPI changes occurring between December 1985 and December 1986:

Housing	+1.8%
Housing Maintenance & Repair Costs	+1.7%
Household Furnishings	+1.2%
Lumber and Wood	+3.0%

(C) Health Insurance Rates: Continued quantum leaps in health care costs made corresponding increases in health insurance rates necessary.

Changes in health care components of the CPI are a useful yardstick; a comparison on December 1986 with December 1985 shows the following increases:

Physicians' Services	+7.8%
Medical Care Commodities	+6.8%
Hospital Room	+7.7%
Hospital & Medical Care Services	+6.8%

Rating Organizations

(b) 2 resulted in no change in classification;
(c) 2 continue to be published out-of-class awaiting completion of improvement program to regain their former class; and,

CONSUMER SERVICE DIVISION

PURPOSE

The Consumer Service Division is comprised of two sections, Consumer Complaints and Agents Licensing. In addition to the Director of the Division, nine (9) technical (7 in Complaints; 1 in Agents; 1 Market Conduct Examiner) and five clerical (3 in Complaints; 2 in Agents) are employed in the Division.

The Consumer Complaints Section is responsible for the review of the facts surrounding each complaint received against an insurance company or an agent. It is the Division's objective to make certain that complainants are advised of and understand the handling of their claims and other insurance problems. The aim of the Division is to protect the citizens of West Virginia by attempting to ensure that all complaints are equitably resolved in a prompt and professional manner and in accordance with the West Virginia Insurance Laws.

The area of Market Conduct Examination was created and included as part of this Division in 1985. Market Conduct was previously a limited area included as part of financial examinations. However, the need developed for a full time Market Conduct Examiner to perform in depth reviews.

A Market Conduct Examiner examines the practices, policies, and rates of insurance companies, resident agents, non resident agents and brokers, and agencies operating in West Virginia to assure compliance with the West Virginia insurance statutes.

The Agents Licensing Section has the supervision and control over the processing of applications and the issuance of licenses to qualified resident and non resident individuals.

GENERAL ACTIVITIES

CONSUMER COMPLAINTS SECTION

Complaint files are established through receipt of written inquiries and personal visits to the office from consumers and the insurance industry, as well. A total of 4,112 written inquiries were made to the Division in 1986 with walk-in clients numbering 904, and telephone activity accounting for 23,187 calls. Approximately 54% of the telephone inquiries were received on the "Toll-Free" line which has proven to be an invaluable service to the citizens of West Virginia.

Through the efforts of the Consumer Service Division, approximately 2.2 million dollars was returned or paid to West Virginia consumers during 1986. These monies represent refunds of premiums, and payment of claims unsettled due to a dispute, delay, or misunderstanding between the consumer and the insurance company at the time the Consumer Service Division was contacted.

Legislation - In 1986 the West Virginia Legislature adopted the West Virginia Essential Insurance Coverage Act, more commonly known as the FAIR Plan.

This plan, which began operation in November 1986, was established to assure availability of essential property insurance to West Virginia property owners unable to secure such insurance in the voluntary insurance market.

Informational Letters 35 and 39 were issued in an effort to inform insurance companies that certain automobile liability insurance policies could only be cancelled for reasons specified in Chapter 33, Article 6A of the West Virginia Insurance Laws.

Consumer Complaints filed through this office indicated that insurance companies were terminating policyholders' coverage when an agent/company relationship was severed. In many instances this was placing the burden on the consumer to continue coverage. The Department's position is that the burden of continuing coverage under this circumstance is the responsibility of the insurers.

Senior Citizen Seminars - Consumer Service Representatives visited fifty-three pre-scheduled locations throughout the state to discuss health insurance coverage, Medicare supplements, and any additional insurance problems. The total attendance for these seminars was 2,391.

Publications - The National Flood Insurance Program has provided us with pamphlets containing general information to consumers on obtaining flood insurance.

The U.S. Department of Health and Human Services, in conjunction with the National Association of Insurance Commissioners, has made available a brochure entitled "Guide to Health Insurance for People with Medicare" which we use extensively in connection with the seminars as well as the day-to-day contacts with Senior Citizens.

WCHS-TV8 in Charleston invited us to appear on their public affairs program "Concern" to discuss Medicare supplement policies.

Training Sessions - This Department recognizes that there are numerous agencies on the federal, state, and local level which come in direct contact with the public. We, therefore, willingly participate in various workshops, conferences, committees, etc., which focus on potential problems and the possible solution to these problems for individuals who work with the public.

Participation this year included several medigap training workshops sponsored by U.S. Department of Health and Human Services; attendance at workshops for agents sponsored by the National Flood Insurance Program; Fourth Annual Congressional Senior Convention sponsored by Congressman Robert Wise; the Medical Care workshop during Women's Day at the Legislature sponsored by the West Virginia Women's Commission and; the 2nd Annual Conference on Aging sponsored by the Commission on Aging.

AGENTS LICENSING SECTION

House Bill 1520 allowed for the increase in agent license fees from $5.00 to $25.00. Certain domestic companies' fees were increased from $1.00 to $5.00 and the fee for an Excess Lines Broker's license was increased from $50.00 to $200.00.

Educational Testing Service (ETS) implemented, at our instruction, the requirement of identification which contains a photograph for candidates seeking admission to an agent licensing test center.

In August 1986, a form of electronic testing equipment was introduced by ETS at the Charleston test center. KEYWAY is a testing system that allows candidates to respond to test questions using a battery-powered answer pad which records and saves all information. Once testing is completed, the test is scored at the test center, a final score report printed, and candidates leave the test center with the results of their examination.

FINANCIAL CONDITIONS DIVISION

The primary responsibility of the Financial Conditions Division is to monitor the financial stability and solvency of insurance companies admitted to do business in West Virginia. This includes traditional Life and Health and Property and Casualty Companies as well as Health Care Corporations such as Blue Cross/Blue Shield Plans and Health Maintenance Organizations.

Prior to being admitted, these companies must file an application with the Commissioner. The applications of these companies, either foreign or domestic, are reviewed by the Financial Conditions Division to ensure that the appropriate statutes have been satisfied in regard to the companies' general organization and financial strength. Recommendations are then made to the Commissioner as to the admissability of these applying companies.

Those Companies admitted by the Commissioner are then monitored by the Division to ensure that they maintain the financial stability and solvency necessary for the protection of West Virginia policyholders. Our primary emphasis in this area is with our domestic companies. Our monitoring of the domestic industry is effectuated through audits performed by in-house staff as well as field examinations. These field examinations are conducted by a staff of four Certified Financial Examiners. Once our responsibilities in regard to our domestic companies are satisfied, our field examiners participate in examinations conducted by other states upon their domestic companies that operate in this State.

Another responsibility of this Division is to ensure that companies operating in this State report and pay the appropriate taxes levied by West Virginia statutes. This process involves the reconciliation of companies' quarterly reports and payments to their year-end tax returns and remittances. This responsibility includes the record keeping and deposit of all taxes and fees that flow into the Insurance Department.

This Division is also responsible for the tracking and collection of taxes generated by the Excess Lines market. Excess Lines refers to business placed with companies that are not admitted in West Virginia. This occurs when certain lines of insurance are not available with companies admitted in West Virginia. Coverage is written with these nonadmitted companies by licensed insurance agents that have obtained an Excess Lines Broker's license from the Agents Licensing Division. The Excess Lines Brokers must provide reports to the Financial Conditions Division on individual policies written and remit the appropriate tax payment as detailed by West Virginia Code.

The information that follows is a breakdown of the West Virginia insurance market, the financial status of admitted companies and the revenues processed by this Division.
